

COOKIES POLICY

Introduction

Welcome to Nimby.AI Limited's cookies policy.

Nimby.AI uses cookies to help our website run effectively and provide the best experience for visitors. This guide describes the cookies we place on visitors to our website.

For more information about our use of your information you can read our [Privacy Policy](#).

What are cookies?

Cookies are small pieces of data that websites store on a device. Cookies can improve visitors' browsing experience because they help websites remember preferences and understand how people use different features.

Required cookies

Nimby.AI uses some necessary cookies so visitors can navigate and use key features on our website. Required cookies help these features work:

Cookie Name	Duration	Purpose
Test	Session	Investigates if the browser supports cookies and prevents errors.
ss_cookieAllowed	30 days	Remembers if a visitor agreed to placing analytics cookies on their browser if a website is restricting the placement of cookies
RecentRedirect	30 minutes	Prevents redirect loops if a website has custom URL redirects. Redirect loops are bad for SEO.
Crumb	Session	Prevents cross-website request forgery (CSRF)

Cross-website request forgery (CSRF)

CSRF is an attack vector that tricks a browser into taking unwanted action in an application when someone's logged in.

Analytics and performance cookies

Nimby.AI uses analytics and performance cookies to collect information about how visitors interact with our website. Storing these cookies is how we understand more about the visitors to our website, such as traffic sources and unique visitors. The following are the analytics and performance cookies used on our website:

Cookie Name	Duration	Purpose
ss_cid	Two years	Identifies unique visitors and tracks a visitor's sessions on a website
ss_cpvisit	Two years	Identifies unique visitors and tracks a visitor's sessions on a website
ss_cvisit	30 minutes	Identifies unique visitors and tracks a visitor's sessions on a website
ss_cvr	Two years	Identifies unique visitors and tracks a visitor's sessions on a website
ss_cvt	30 minutes	Identifies unique visitors and tracks a visitor's sessions on a website

Disabling cookies

You can disable analytics and performance cookies using the popup when entering our website.
